

Technical Data

CPU	ARM11, 533Mhz
Memory	128MB DDR
FLASH	1GB NAND

Voltage	DC 24V
Interface	Gold plated B2B connectors
Temperature	-20°C~ 75°C guarantee, EMC test passed

Serial	1 RS232 port
Ethernet	One 100Mb Ethernet
USB HOST	One USB HOST
USB OTG	One USB Slave
SD card	One high-speed SD socket

Audio	0.5W audio output, microphone input
--------------	-------------------------------------

Interface	12 onboard dry contact relay, expandable up to 76
------------------	--
